ABOUT US

Accurate Fasteners is a fasteners manufacturer of high quality fasteners, we have a wide variety of fasteners starting from anchors, nuts and bolts, washers, screws, thread bars, pipe clamps and stone cladding clamps including stainless steel structural materials.

Accurate Fasteners is a company that manufactures, supplies and trades wide variety of high quality fasteners . Serving our customer since 21 years, our core strength is manufacturing fasteners. We're active locally and have widespread international presence as well..

QUALITY

Continually improve Effectiveness and Efficiency of Quality Management Systems to maintain a distinguishable competitive edge as viewed by customers.

WHY CHOOSE US

We Are Best Fasteners in Town

We are the premier supplier of Stainless Steel. Our products are made from high-quality raw materials, which ensures their durability.

OUR PRODUCT RANGE

DIN 933 HEX BOLT
Grade:304/316/202
Dai:M3-M24 Cold Forge
Length: 6mm-150mm

ISO 4017 HEX BOLT
Grade: 304/316
Dai:M6-M16 Cold Forge
Length:10mm-150mm

BSW 1083 HEX BOLT
Grade:304/316/202
Dai:1/4"-3/4" Cold Forge
Length: 1/2"- 6"

DIN 6921 FLANGE BOLT
Grade: 304/316
Dai:M5-M10 Cold Forge
Length:10mm-100mm

DIN 603 CARRIAGE BOLT
Grade: 304/316
Dai:M5-M10 Cold Forge
Length:10mm-150mm

ANTI THEIFT /SECURITY BOLT
Grade:304/316/202
Dai:M6-M12 Cold Forge
Length:10mm-100mm

I- BOLTS
Grade:304/316/202
Dai: M6-M16

DIN 603 CARRIAGE BOLT
PL. & SP. WASHER
Grade:304/316
Dai: M6-M10 Cold Forge

U - BOLTS
Grade:202/304/316
Dai: M3-M24

ANCHOR BOLTS
Grade: 304/316/202
Dai: M8-M20

WEDGE ANCHOR THROUGH BOLT
Grade: 304/316/202
Dai: M8-M16

OUR PRODUCT RANGE

DIN 934 HEX NUT
Grade:304/316/202
Dai:M2.5-M27 Cold Forge

BSW 1083 HEX NUT
Grade:304/316/202
Dai:1.4”-3.4” Cold Forge

UNI 5587 HEX THICK NUT
Grade: 304/202
Dai:M8-M16 Cold Forge

DIN 982 NYLOCK NUT
Grade: 304/316
Dai:M5-M16 Cold Forge

ISO 4032 HEX NUT
Grade:304/316
Dai:M6-M16 Cold Forge

DIN 439 LOCK NUT/THIN NUT
Grade:304/316/202
Dai:M6-M24 Cold Forge

DIN 6923 FLANGE NUT
Grade: 304/202
Dai:M5-M12 Cold Forge

ANTI-THEFT NUT/BRAKE NUT
Grade: 304/316
Dai:M6-M12

DIN 985 NYLOCK NUT
Grade: 304/316
Dai:M4-M20 Cold Forge

DIN 1587 DOME NUT
Grade: 304/316/202
Dai:M5-M12 Cold Forge

OUR PRODUCT RANGE

DIN 912 SOCKET HD CAP SCREW (ALLEN CAP SCREW)
Grade: 304/316/202
Dai: M3-M16 Cold Forge
Length: 6mm-120mm

DIN 7991 ALLEN CSK SCREWS
Grade: 304/316/202
Dai: M4-M10 Cold Forge
Length:10mm-80mm

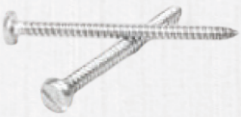

HD SCREW
Grade: 304/316
Dai: M4-M10 Cold Forge
Length:10mm-80mm

DIN 7981 PHILLIPS PAN HD SELF TAPPING SCREW
Grade: 304/316
Dai: M2.9-M6.3 Cold Forge
Length: 6.5mm-50mm

DIN 7982 PHILLIPS CSK SELF TAPPING SCREW
Grade: 304/316
Dai: M2.9-M6.3 Cold Forge
Length: 6.5mm-50mm

DIN 7971 SLOTTED PAN HD SELF TAPPING SCREW
Grade: 304/316/202
Dai: M2.9-M6.3 Cold Forge
Length: 6.5mm-50mm

DIN 7972 SLOTTED CSK HD SELF TAPPING SCREW
Grade: 304/316
Dai: M2.9-M6.3 Cold Forge
Length: 6.5mm-50mm

DIN 7985 PH. PAN HEAD SCREW
Grade: 304/316/202
Dai: M3-M6 Cold Forge
Length: 6mm-50mm

DIN 965 PH. CSK HEAD SCREW
Grade: 304/316/202
Dai: M3-M8 Cold Forge
Length: 6mm-50mm

DIN 84 SLOTTED CHEESE HD SCREW
Grade: 304/316/202
Dai: M3-M6 Cold Forge
Length:10mm-50mm

DIN 963 SLOTTED CSK SCREW
Grade: 304/316/202
Dai: M3-M8 Cold Forge
Length:10mm-50mm

LONG SCREW

OUR PRODUCT RANGE

PHILLIPS PAN WITH INSERTED PLAIN SPRING WASHER
Grade: 304/316 Cold Forge
Dai: M4-M6

DIN 976 THREADED ROD
(studs)
Grade: 304/316
Dai: M6 - M24 Cold Forge
& BSW/UNC 1/4" - 1"

DIN 6978- A STAR WASHER
Grade: 304/316
Dai: M4 - M24 cold forge

BEARING CONE

DIN 125 PLAIN WASHER
Grade: 304/316/202
Dai: M2 - M36

DIN 127 SPRING WASHERS
Dai: M4 - M36

PHILLIPS PAN COMBI. WITH WASHER SCREW
Grade: 304/316/202
Cold Forge
Dai: M4-M6

WELD STUDS
Grade: 304/316
Dai: M4 - M10 Cold Forge

VISION

To be recognised as a leader in the domestic and export markets for Stainless Steel Sheet, Plate, and Coil. The name "Accurate Fasteners" should remain synonymous with quality and integrity.

MISSION

To provide high-quality fastening solutions that meet the needs of our customers, while also promoting safety, reliability, and efficiency in their operations. We strive to continuously improve our products and services through innovation, research, and development, and to maintain the highest standards of quality and customer service. Our goal is to become a trusted partner for our customers, providing them with the tools they need to succeed and grow.

GOALS

To become a leading supplier of fastening solutions in the industry, by expanding our product portfolio, enhancing our manufacturing capabilities, and increasing our market share. We aim to achieve this by maintaining our commitment to quality, reliability, and innovation, while also providing exceptional customer service and support. Our goal is to establish long-term partnerships with our customers, based on mutual trust, respect, and shared success.

TEAM OF EXPERTS

We have an energetic and talented team of professionals who play crucial role in our success and have been our biggest support in all times. Our work force comprises experienced technical experts, quality analyst, purchase executives, R&D personnel, sales and marketing and skilled labors. Our team of professionals works synchronization with our manufacturers and clients, thereby ensuring all procedures are executed systematically and without any discrepancies. Their dedication and painstaking efforts have helped us serve our domestic as well as our international clients successfully.

QUALITY ASSURANCE

To maintain the quality standards of our industrial fastener range, we have always followed a systematic quality management procedure. In procuring our entire range of fasteners, we adhere to international quality standards. Our quality control team enables us to provide technologically advanced fasteners by performing stringent quality checks during the procurement and delivery processes. Furthermore, our fastener range complies with various standards such as IS, BS, and DIN.

CUSTOMER SATISFACTION

We always work with the goal of establishing long-term customer relationships and with the goal of ensuring client satisfaction. As a result, we strive to understand their needs and meet them with quality that exceeds their expectations.We Are Best Fasteners in Town. We are the premier supplier of Stainless Steel. Our products are made from high-quality raw materials, which ensures their durability.

INDUSTRIES WE SERVE

RO WATER PURIFIER INDUSTRY

The RO water purifier industry requires corrosion-resistant and hygienic fasteners that can withstand continuous water exposure and maintain structural integrity in filtration systems.

Our fasteners are widely used in:

- RO filtration system assemblies
- Water treatment plants
- Domestic and industrial water purifiers
- Pump and membrane housing structures

We provide stainless steel and anti-corrosion fasteners suitable for water purification equipment.

SUBMERSIBLE PUMP INDUSTRY

Submersible pumps operate in extreme environments such as deep wells, boreholes, and water tanks. Fasteners used in these systems must withstand moisture, pressure, and long-term immersion.

Our fasteners are ideal for:

- Pump body assembly
- Motor housing components
- Pump mounting systems
- Industrial and agricultural pumping equipment

We manufacture rust-resistant fasteners designed to perform reliably in submerged conditions.

SOLAR ENERGY INDUSTRY

Solar energy systems require fasteners that can withstand outdoor exposure, heat, and environmental stress for decades.

Our fasteners support:

- Solar panel mounting structures
- Rooftop solar installations
- Ground-mounted solar projects
- Solar tracking systems

We supply high-strength galvanized and stainless steel fasteners engineered for long-lasting performance in solar installations.

LED LIGHTING INDUSTRY

The LED lighting industry demands precision and lightweight fastening solutions for assembling lighting fixtures and electronic housings.

Our fasteners are used in:

- LED panel lights
- Street lighting fixtures
- Industrial lighting systems
- Electronic enclosures

We provide precision fasteners with excellent finishing for reliable LED product assembly.

FOOD & BEVERAGE INDUSTRY

Equipment used in the food and beverage sector requires hygienic and corrosion-resistant fasteners that comply with safety and cleanliness standards.

Our fasteners are suitable for:

- Food processing machinery
- Beverage filling systems
- Packaging equipment
- Stainless steel food-grade equipment

We manufacture food-grade stainless steel fasteners that ensure durability and hygiene in processing environments. solar installations.

PHARMACEUTICAL MACHINERY

Pharmaceutical manufacturing equipment requires fasteners that meet high precision, hygiene, and contamination control standards.

Our fasteners are widely used in:

- Tablet manufacturing machines
- Capsule filling equipment
- Packaging and labeling machines
- Cleanroom-compatible machinery

We provide high-precision stainless steel fasteners designed for pharmaceutical-grade machinery.
